ORDER:

In the reference 2<sup>nd</sup> read above, Director of Medical Education has informed that some COVID-19 patients who are admitted into Gandhi General Hospital and Telangana Institute of Medical Sciences & Research (TIMS) require dialysis services. The current agreement with the service providers in these hospitals is to provide outpatient dialysis only, which is paid by the Aarogyasri Health Care Trust. Director of Medical Education has therefore requested the government to issue orders permitting them to utilize the services of existing dialysis service providers for in-patient dialysis of COVID-19 patients.

(2) Since there is an urgent requirement of dialysis for COVID patients admitted in the above two hospitals, Government after careful examination of the matter, hereby accord permission to the Superintendent of Gandhi General Hospital and Director, Telangana Institute of Medical Sciences & Research (TIMS) to perform in-patient dialysis to the COVID patients through existing agency which is providing dialysis under PPP until further orders. The existing rate, terms and conditions are applicable. Personal Protection Equipment (PPE) Kits will be provided by the hospital. The details of rate per dialysis to be paid to the service providers is appended as Annexure-I.

(3) The expenditure shall be met from National Health Mission interest funds subject to reimbursement from NHM COVID funds. The Director of Medical Education shall obtain the case wise proposals from the above two hospitals in the proforma given at Annexure-II; and furnish the same to Commissioner of Health and Family Welfare for release of funds from time to time. Commissioner of Health and Family Welfare will in turn release funds to the Superintendents under intimation to Director of Medical Education.

(4) Further, if there are any pending bills with the above two hospitals, the above procedure may be followed for release of funds.

(5) The Commissioner of Health and Family Welfare and Director of Medical Education, Superintendent of Gandhi General Hospital and Director TIMS shall take further necessary action in the matter.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF TELANGANA)
